CLASSES & NUMBERS	<p>We formed 13 classes this year – one less than 2020 due to updated Enrolment Policy, no new out of area students.</p> <p>Students have settled well especially Kindergarten. While there may be some friendship groups which have been split up, it is important for students and parents to realise that meeting new friends is incredibly important in forming relationships throughout life and understanding the perspectives and interests of others.</p> <p>We've welcomed some new staff – Silvia Steinhardt (S3 RFF and Support), Regina Pandit (SLSO), Christine Price (SLSO) and welcomed back Rebecca Mills (2/3 Yellow).</p>	Whole School	2020

WISH LIST

There are a couple of goals we are working towards for 2021:
 1. I would like to replace basketball backboards as they look fairly dated (low priority)
 2. Playground markings under cola might need to be redone as well.
