<b>THANK YOU</b>	A special thank you from all the staff and community to all the coordinators, committee members and Executive for all their support and hard work in 2020. I look forward in working with the new committee in 2021.	Chris	17/3/21
<b>ANNUAL SCHOOL REPORT</b>	The Annual School Report will be uploaded on the school website by the end of Week 1 next term. It has information regarding our accounts (income/expenditure) – we rolled over \$293 343 in Operational Funds and \$478 461 in School and Community Funds. While that is a significant amount of money, salaries for December were not deducted at roll over time. There was also \$50 000 in classroom maintenance work which was completed in 2020 but not billed to the school until 2021. The work for the verandas will come out of the School and Community funds and we have budgeted \$150 000 to complete this work in 2021.	Chris	Week 1 Term 2
<b>SCHOOL PLAN 2021-2024</b>	The School Plan will also be uploaded on to the school website. Our strategic directions focus on Student Growth and Attainment (school performance in Reading and Numeracy), Flourishing Wellbeing (Positive Education) and High Impact Teachers (improving teacher quality).
